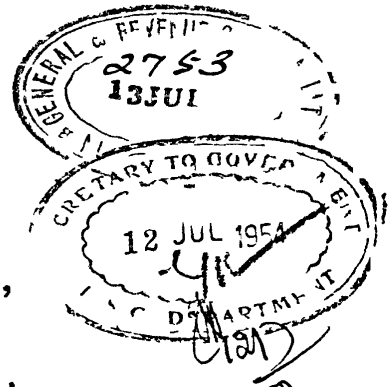
CITY MUNICIPAL COUNCIL,
P B No 17

Mysore, Dated 8-7-54



FROM

The Municipal Commissioner,
CITY MUNICIPAL COUNCIL,
MYSORE

To

The Secretary to Government,
L S G and Planning Departments,
Bangalore-1

(Through the President).

C M 42-54-31

Sir,

Subject - Estimate for Rs. 37000/- for the purchase of cement required for execution of work under Dr. Talati's scheme.

The Municipal Council have taken up for execution, a scheme for the better utilization of sewage sanctioned in G O. No. L 7028-32/CM 101-53 9/15-9-53 The Government of India sanctioned a loan of Rs 80,000/- for the year 53-54 and a further grant for the current year was also been asked for through the Commissioner for Food Production. The tendered contractor to whom the work was entrusted was unable to secure the required quantity of cement for the construction of the septic tank and ancillary works. It is therefore considered necessary to purchase the cement and supply it to the contractors. An estimate prepared for Rs. 35000/- in this behalf was approved by the Council for Rs 37000/- including Excise duty to be paid.

I enclose a copy of the resolution and the estimate and request that orders of Government may kindly be obtained sanctioning the estimate.

The expenditure will be debited to the head " Stock debit " in the first instance and adjusted out of the sums to be recovered by sale of material to the Contractor.

Yours faithfully,

(N Lakshman Rau).
Municipal Commissioner.

Forwarded with compliments.

(K Puttaswamy)
President

Note

As per Govt order No CP.A.22/11+5-54 dated 11th Cover

An estimate for Rs 35000/- has been prepared and submitted herewith before the Works Committee for their kind sanction The material proposed to be purchased is not easily available, to the contractor in the local market, especially in huge quantities and in absence of the availability of the materials it would not be possible to push through the Work briskly As the amount of loan sanctioned by the Government of India through the Mysore Government has to be fully availed off and as interest is to be paid on the loan drawn, the desirability of completing the work early with a view to have full benefits of the scheme work, it is proposed to purchase the required quantity of cement for this work. The cost
